

Solutions for easy and perfect renovation

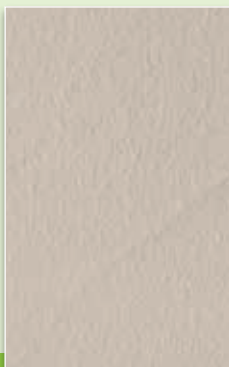

Novelio® Renovation, paintable wall coverings to renovate walls and ceilings

Novelio® Renovation:

- solutions for **fast and easy renovation**: no need for heavy repairing job before applying the wall covering.
 - full range of wall coverings suitable for **wall renovation**, when the work needed is not possible with a standard wall covering.
- Depending on the state of the wall the appropriate solution has to be used. All products are to be applied with the recommended glue.
